Follow quarantine rules & Enjoy your carefree arrival Instructions for passengers before arriving in Taiwan and clearance at the airport

Preparations abroad and symptomatic traveler testing measures

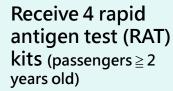

- Arriving travelers are exempted from making a health declaration on the Quarantine System for Entry before arrival and having a mobile phone with a Taiwanese number.
- The COVID-19 Health Declaration and Home Quarantine Notice are no longer issued to arriving travelers.
- Travelers who tested positive for COVID-19 abroad must defer their flights to Taiwan for > 5 days from the specimen collection date.
- Arriving travelers who have experienced any suspected COVID-19 symptoms in the 14 days before arrival should receive a health assessment by a quarantine officer upon arrival and cooperate in undergoing a saliva PCR test.
- Arriving travelers are no longer required to be guarantined, but to undergo a seven-day period of self-initiated prevention instead.

Clearance upon arrival

Self-initiated prevention measures

Move to your residence

- ✓ Take a designated transport vehicle
- ✓ Picked up by friends, relatives, companies, or organizations
- ✓ Drive yourself
- ✓ Travelers who have experienced any suspected COVID-19 symptoms in the 14 days before arrival should take a quarantine vehicle.
- ✓ Travelers without COVID-19 symptoms can take **public transportation**.

Stay in your residence

✓ Stay in a residence under the rule of oneperson-per-room for the **seven-day** period.

Instructions for using RAT

When to test yourself?

- ✓ On the day of arrival or the first day of the self-initiated prevention period (D0/D1)
- ✓ Produce a negative result within two days before going out during the self-initiated prevention period
- ✓ Symptoms develop during the self-initiated prevention period

Test result and treatment measures

✓ Follow the Self-initiated **Prevention Guidelines**
